In these pages, you ll find: How to make and care for your own set of stones. A variety of methods for divination, from using just one stone to using nine stones and more. How to use the Theban stones for spellcasting, including love and purification spells and Theban incense and candle magick. A complete lexicon of the Theban alphabet with a who s who of Theban history along with divinatory meanings and how they relate to the modern world. A quick reference to the sacred herbs and angelic orders associated with each symbol. Prepare yourself to discover the hidden mysteries of the ancients and the magick within you.
