

Eating the Honey of Words: New and Selected Poems (Paperback)

Filesize: 3.66 MB

Reviews

This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Salvador Lynch)

EATING THE HONEY OF WORDS: NEW AND SELECTED POEMS (PAPERBACK)

[DOWNLOAD](#)

HarperCollins Publishers Inc, United States, 2000. Paperback. Condition: New. Language: English . Brand New Book. A Brilliant Collection Spanning Half A Century, From One Of America s Most Prominent And Powerful Poets Robert Bly has had many roles in his illustrious career. He is a chronicler and mentor of young poets, was a leader of the antiwar movement, founded the men s movement, and wrote the bestselling book Iron John, which brought the men s movement to the attention of the world. Throughout these activities, Bly has continued to deepen his own poetry, a vigorous voice in a period of more academic wordsmiths. Here he presents his favorite poems of the last decades-timeless classics from Silence in the Snowy Fields, The Man in the Black Coat Turns, and Loving a Woman in Two Worlds. A complete section of marelous new poems rounds out this collection, which offers a chance to reread, in a fresh setting, a lifetime of work dedicated to fresh perspectives. It is a brilliant collection that confirms Bly s role as one of America s preeminent poets writing today.
