He has spent centuries meeting and falling in love with the same girl, Lucy, over and over again. He has the gift, or the curse, of 'the memory', the ability to recognize the reincarnated souls he has known. However, the force that draws Lucy and Daniel together also always tears them painfully apart, to the point that he has started trying to protect her from falling in love with him. A love story for fans of THE TIME TRAVELER'S WIFE - mysterious, heartwarming and utterly memorable. 401 pp. Englisch.
