Createspace, United States, 2013. Paperback. Book Condition: New. Helen Braid (illustrator). 274 x 212 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is my pregnancy and motherhood diary written as letters and poems to my baby whom early on I nicknamed Peanut. I wanted to catch the emotions that come with first discovering that you are going to become a parent in nine months and then with grappling with sleepless nights, leaking bras and the first twelve months of being a mother (as well as the occasional panicked feeling of Is this for real? I m actually allowed to be responsible for another human being?) But it is not all panic! There are times of immense joy that I would love to share with you. The first scan, steps and that first time Peanut made it clear that a chip off the floor was a delicacy worth three Michelin stars unlike anything I cooked. I hope you enjoy reading Peanut s story.
