The Adventures of Snowdeer, Plum Puddin Purple Mouse is a story about friendship with a big dose of fantasy. While Snowdeer s Christmas Story introduced us to Snowdeer and Plum Puddin , this new adventure actually takes us backward in time and introduces THEM to EACH OTHER. The friendship that is forged will serve them well as they adventure into the unknown. Snowdeer and Plum Puddin learn that giving of themselves is the only way to help each other as new characters magically join them on their quest. We invite you to venture with Snowdeer and Plum Puddin as they stumble upon magical elves, fantastic frogs, talking horses and singing cats. Their journey to the North Pole is inspirational and engaging as they reminisce about their homes in Doe Run, Possum Holler and Knob Lick. They soon discover that you can always be at home, even away from home, if you have your best friends at your side. This timeless story will take you home to the simpler times of yesteryear, serve up a whole lot of homemade fun, and make you yearn for your own childhood home.
