MANY CULTURES ONE WORLD Boricua is what Puerto Ricans call one another as a term of endearment, respect, and cultural affirmation; it is a timeless declaration that transcends gender and color. Boricua is a powerful word that tells the origin and history of the Puerto Rican people. --From the Introduction From the sun-drenched beaches of a beautiful, flamboyant-covered island to the cool, hard pavement of the fierce South Bronx, the remarkable journey of the Puerto Rican people is a rich story full of daring defiance, courageous strength, fierce passions, and dangerous politics--and it is a story that continues to be told today. Long ignored by Anglo literature studies, here are more than fifty selections of poetry, fiction, plays, essays, monologues, screenplays, and speeches from some of the most vibrant and original voices in Puerto Rican literature.
