Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It's been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modify the way I really believe.

Little, Brown Company, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Takashi and his fellow students join up with a band of survivors who have barricaded themselves inside a local mall. Though the shopping center seems a well-stocked place to hide from the undead lurking outside, the policewoman in charge is having a hard time maintaining peace within. The group from Fujimi High would rather not get involved in a power struggle and tries to stay under the radar until they are ready to set off again. But with so many attractive, buxom girls among the students, it may be nearly impossible to avoid unwanted attention of the worst kind.
