Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is a true story. Some names and identifying details have been changed to protect the innocent. On December 02.2008, my husband was admitted to Di Sierra Hospital in Las Vegas for shortness of breath. He died of Multi-organ failure. At that time I was too pre-occupied to notice the overall picture. All of his Doctors were Muslim. After reading all the things I have read, that is when a red flag went up. In this book, I expose the corruption, greed and neglect. They treated us as if we were nothing. When a female Muslim patient was admitted to my husbands floor, they dropped everything and went to her aide. They even moved her closer to the Nursing Station. I have known for quite some time now that the health care system is broken. Di Sierra hospital, put my husband through hell. They told me he was getting better and then, they killed him. As for my son Eddie, he was conned by an evil, vindictive woman, which eventually led to his death! I carried him into this world, As I carried him out in cardboard box, I just wanted to lay down on the black tar, hugging his remains in my arms. This was the hardest book I have ever written, but I promised I would. I have always been able to communicate with my husband and son, mentally. This is for you, Cesar and Eddie. The two most important men in my life! As I stare at the cursor blinking back at me, the thought came into my head: Death is not the end, it is only the beginning. It felt like an angel had...
