WALKING TWO ROADS: ACCORD AND SEPARATION IN CHINESE AND WESTERN THOUGHT

VU University Press. Paperback. Book Condition: new. BRAND NEW, Walking Two Roads: Accord and Separation in Chinese and Western Thought, Hans van Rappard, This book compares Chinese thought to that of the West. With recent Western interest in Chinese Buddhism (also known as Zen) and Daoism an understanding of their underlying ways of thinking is crucial for approaching them properly. The topics treated include worldview, world -- man relation, and mind and consciousness. A unique feature of the book is...

Reviews

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
