

Notes of a Study of the Preliminary Chapters of the Mahabharata: Being an Attempt to Separate Genuine, from Spurious Matter (Classic Reprint) (Paperback)

Filesize: 2.1 MB

Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Llewellyn Terry)

NOTES OF A STUDY OF THE PRELIMINARY CHAPTERS OF THE MAHABHARATA: BEING AN ATTEMPT TO SEPARATE GENUINE, FROM SPURIOUS MATTER (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Notes of a Study of the Preliminary Chapters of the Mahabharata: Being an Attempt to Separate Genuine, From Spurious Matter The manuscript of this book was almost ready about the time that the great war broke out. The author was then advised that as prices showed a tendency to go up beyond what was tolerable, it would be less expensive to undertake the publication after the close of the war, which, at that time, was expected to come about much sooner than it actually did. The author acted on this advice and he has since found that it was very unfortunate that he did so. Shortly after the close of the war, it became clear to the author that it was not desirable to delay the publication any longer. In attempting to revise the manuscript for publication with a view to amend, correct and improve, the writer found that he had lost touch with the work. On account of this and of vocational work limiting his spare time, he was not able to give the book a satisfactory revision. The book is however placed before the public with its demerits unredeemed, yet with the hope of a kind reception. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
