ROLE OF CAD/CAM IN PROSTHODONTICS

Role of CAD/CAM in Prosthodontics

LAP Lambert Academic Publishing Jan 2017, 2017. Taschenbuch. Condition: Neu. Neuware - The latest innovations in TECHNOLOGY made almost all things possible in this world. The lost-wax precision casting of gold alloys, dough modelling and curing of acrylic resins and powder sintering of dental porcelains were originally developed for dentistry and are well established as conventional dental laboratory technologies. As dentistry evolves into the digital world of image capture, computer design, and the creation of dental restorations through robotics, the...
