Brand New Book ***** Print on Demand *****.Guinea is a Francophone West African country on the Atlantic coast, with a population of about 10 million. It is rich in natural resources but characterized by widespread poverty and limited socio-economic growth and development. While Guinea has experienced regular episodes of internal political turmoil, it was considered a locus of relative stability over the past two decades, a period during which each of its six neighbors suffered one or more armed internal conflicts. Guinea entered a new period of political uncertainty on December 23, 2008, when a group of junior and mid-level military officers seized power, hours after the death of longtime president and former military leader Lansana Conté. Calling itself the National Council for Democracy and Development (CNDD, after its French acronym), the junta named as interim national president Captain Moussa Dadis Camara, previously a relatively unknown figure. The junta appointed a civilian prime minister and has promised to hold presidential and legislative elections by late 2009. However, some observers fear that rivalries within the CNDD, Dadis Camara's lack of national leadership experience, and administrative and logistical challenges could indefinitely delay the transfer of power to a democratically elected civilian administration. Guinea has never undergone a democratic or .
