

ARCTIC ANIMALS

Inhabit Media, 2015. Board book. Condition: New. Bilingual. Language: English . Brand New Book. A simple primer on animal names and image recognition that displays each animal in its natural surroundings This book introduces babies to eight common animals of the Arctic land, sea, and air. With images that show each animal in its environment and against a single-color, high-contrast background, this book helps babies easily identify each animal covered. Text appears in English and Inuktitut syllabics and Roman orthography, meaning that even non-Inuktitut speakers can sound out the Inuktitut names for each animal.
