Souvenir Press Ltd, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. Outlining a revolutionary approach to training horses, mules, and donkeys, this extensive compendium offers an all-inclusivestudy of clicker training. Exploring a simple and practical style of equine conditioning, this resource clearly depicts how appropriate behavior can be reinforced, incorporating the chosen method into the context of communication with animals. Focusing on enhancing the entire relationship between horse and owner rather than specific problems, this unique reference is ideal for developing a truthful understanding of the equine mind.
