January 15, 2008: Andrew Morton uncovers the true story of the biggest celebrity of our age. Everyone knows Tom Cruise---or at least what he wants us to know. We know that he overcame a difficult childhood to star in astonishing array of blockbusters: Top Gun, Rain Man, Born on the Fourth of July, A Few Good Men, Interview with the Vampire, Jerry Maguire, three Mission: Impossible movies, War of the Worlds, and more. We know he has taken artistic chances, too, and as a result has earned three Academy Award nominations and three Golden Globes, along with the respect of acting legends like Paul Newman and Dustin Hoffman. After that, the picture becomes a little less clear. We know that Tom is a Scientologist, but not necessarily what that means...
