Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which it basically changed me, modified the way I really believe.

Outskirts Press, United States, 2010. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Ragged around the edges. Looking for smooth. She never asked and I never told her how I came by the chunk of lead she had fished out of my leg. Figured if I did, she d think I was one of those outlaws and she d quit taking care of me. I did tell her, though, that I wasn t on the run from the law. What I was running from was a ma and pa impatient to see their youngest boy become a man. Mostly, it was my pa. Another hired man is what he wanted. I didn t cotton to the idea, so one night when they thought I was sleeping I left. I ve been working my way north ever since, lookin to cut them apron strings my ma and pa had got me all tangled up in - before they made a girl or a preacher out of me. My dream included a place of my own, a nice bunch of cows, a handful of really good horses, tall grass, friends, warm winters, cool water, coins jingling in my pocket and - well, yes, a pretty girl at my side - not necessarily in that order. Anyone curious as to what the future holds for me will have to saddle up and follow my trail!.
