The Future

By Ziauddin Sardar

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, The Future, Ziauddin Sardar, In Future: All That Matters, Ziauddin Sardar shows that thinking and speculating about the future has always been a part of human history, but exploring the futures in a systematic and scientific way is a recent phenomenon. What is known variously as 'futures studies', 'futurology' or 'foresight' only emerged as a discipline during the last few decades. The study of the future, however, is not only about 'predicting' or 'forecasting' the future, which is always a perilous exercise. It is also about appreciating the potentials and possibilities, as well as risks and threats, lurking over the horizon. It can enable us both to avoid the dangers as well as shape a viable and desirable future. This book explores the exciting field of futures studies, and shows how knowledge of the future is acquired and put into practice. We examine various methods for studying the future, with the emphasis not so much on predicting specific events but on delineating alternative paths to the future. We look at some celebrated readings of the future as well as case studies where exploration of the future has been used...
