Outskirts Press. Paperback. Condition: New. 248 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. Its all right with me if you think yourself some kinda mystery; Im just saying take it down the road. This book is all about you and those around you, though I know neither you nor those around you. How is that We all do pretty much the same things, and so, most idiocies are so common they hardly seem idiotic until brought to our attention. Im bringing you to your attention. I do it; you do it; they do it. Yes, everyone does little things that unless theyre deliberately playing the fool, theyre better off not doing, but they do, and often amusing or irritating the rest of us- including and especially you. This social satire consists of over a hundred narratives and anecdotes: faux pas that we encounter; participate and witness on a daily basis. Whereas social blunders arent meant to make you laugh, this book is guaranteed to. In addition, nothing is more comical than being forced to laugh at yourself; you will see you here and you will laugh, perhaps never knowing before now: you are so amusing. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
