

The Best Book of Puns (Paperback)

By Art Moger

Kensington Publishing Corporation, 1998. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As Oscar Levant said many years ago, A pun is the lowest form of wit, especially if you didn't think of it first. In this lively collection you'll find a hilarious abundance of pun-ishment for the millions who can't resist giving a word or phrase a twist, and ammunition for many occasions from movie, TV and theatre wags; from the wits of Wall Street and Washington, the gems from poets and pundits and some of the bottom-of-the-barrel crumbs! Golf is like taxes. You drive hard to get to the green and wind up in the hole. A monastery in financial trouble decided to go into the fish-and-chips industry to raise revenues. One night a customer knocked on the door and a monk answered. Are you the fishfriar? the customer asked. No, the robed figure replied, I'm the chipmonk. The book also contains a PUNdix, a PUNabridged dictionary and a collection of the best, and worst, jokes in the world!.
