Candlewick Press,U.S., United States, 2011. Hardback. Condition: New. Language: English . Brand New Book. Oh baby! A hip heroine discovers that she has the ability to decide who gets pregnant in this witty YA blend of romance and the supernatural from a debut author. (Ages 12 and up) Sixteen-year-old Katla has just moved from Los Angeles to the sticks of Minnesota. As if it weren't enough that her trendy fashion sense draws stares, she learns to her horror that she's a member of an ancient order of women who decide to whom certain babies will be born. Add to that Wade, the arrogant football star whom Katla regrettably fooled around with, and Jack, a gorgeous farm boy who initially seems to hate her. Soon Katla is having freaky dreams about a crying infant and learns that, as children, she and Jack shared a near-fatal, possibly mystical experience. Can Katla survive this major life makeover and find a dress for the homecoming dance? Drawing from Norse mythology and inspired by THE SNOW QUEEN by Hans Christian Andersen, debut author Wendy Delsol conceives an irreverent, highly entertaining novel about embracing change and the (baby) bumps along the way.
