Book 1: Talking is easy, but communicating a message to your spouse may be challenging at times. Therefore, I have provided solutions and tips in this book to show you the difference between men and women in general, find more fulfillment in your sexual life, and talk about your problems in a way that listening becomes easier. Learn, among others: How to time it right when you talk to your partner. How to find the time and commitment to make love and improve your connection this way. The difference between connecting and simply communicating. The importance of first response and knowing your spouse's needs. Book 2: Get a bonus chapter for FREE with interviews with experienced marriage partners! As someone who has been married for a while now, I am pretty familiar with some of the ups and downs of marriage. I have seen many marriages around me fail and succeed, and I have learned from the best. Saving your marriage is a long term process, which will begin by applying the powerful advice you...
