Reviews

Very good eBook and valuable one. This is for anyone who stante that there was not a worth reading. You will not truly feel monotony at at any time of your own time (that's what catalogs are for concerning if you question me).

(Ms. Ona Muller)

PIRATES: CULTURE AND STYLE FROM THE 15TH CENTURY TO THE PRESENT

Ginkgo Press October 2016, 2016. Hardcover. Condition: New. Whether reviled as criminals or upheld as symbols of ultimate freedom, it can't be denied that the figure of the pirate has had an unmistakable impact on everything from modern fashion and literature to art and classic cinema. *Pirates* is a map to the scenic world of the buccaneer, looking back to classical artwork, maps, and advertising to reveal how these iconic figures make their presence known today. It shows how style idols like David Bowie and the Rolling Stones incorporated the pirate's sense of romanticism and danger into their famous looks, as well as how the flair of the pirating lifestyle has been represented in contemporary fashion, vintage advertising and art, cartoons, costume design, and numerous golden age films and musicals. With a broad array of culturally diverse pirates both fictional and real represented, *Pirates* visually demonstrates the roguish allure that has been captivating artists, designers, and fashionistas for centuries.
