THE ACTION MANS NO NONSENSE GUIDE TO PRACTICAL FATHERHOOD

AuthorHouse. Paperback. Condition: New. 132 pages. Dimensions: 7.9in. x 5.0in. x 0.4in. Are you looking forward to being a father? No. Neither do many men, but if no one had children, then eventually the bins wouldn't get emptied, there wouldn't be people to brew beer and make television programmes. Civilisation would fall in a heap. Eventually, most men recognise unfamiliar emotions which are a result of impending fatherhood. These could be anything from a mixture of incredulity at finding your wife or girlfriend in bed with the milkman, to amusement at trying to figure out why she has put on 3 stone in weight and pukes when you mention fish supper. There is no meaningless theorising about alcohol intake and sperm count, phases of Saturn and fertility or how to look good in stirrups. Men need advice on issues such as ensuring your new baby will be male and, yours. There is also some information on how pregnancy might affect your partner, wife or girlfriend. If you are the man who doesn't notice your wife shaving her head and sharing your flat with Hare Krishna devotees, then this book is for you. Even if you aren't average, this book will guide you through the murkiest water a...
