Great electronic book and useful one. It can be writter in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Ain't Got No Press. Paperback. Condition: New. 124 pages. Dimensions: 8.5in. x 5.5in. x 0.3in.Someone recently described reading Rick Luperts work as a similar experience to getting kicked in the teeth. He responded by recommending a good dentist. This was a sham as he had not been to the dentist in several years. The best he could do would be to front with 1-800-DENTIST and hope for the best. By the way, this book was not endorsed by 1-800-DENTIST but the author wishes them the best. What exactly does it mean to be ones own Orange County Its about being self critical. When you read your poetry in Orange County, youll find the audience more interactive; often critiquing your poem outloud while you read it. (Its not that he doesnt think dental hygiene is important. He brushes and flosses every day. His teeth are fine. He has no problem smiling with his mouth open. In fact, he is doing so right now.) This is Luperts second book. It features many of the poems hed had published various places, as well as things so special that only he agreed to publish them. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
