Wooded Isle Press LLC, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Every car guy has stories that elicit laughter, tears and admission of some bad choices. Lance Lambert s Fenders, Fins Friends: Confessions of a Car Guy includes tales of riding in a 1939 ford as the steering wheel was removed and handed to him. Installing a siren in a 1955 Ford proved to be a bad decision. Putting five friends as far back as possible in a rock band s van resulted in wheels stands and applause from admiring fans. Sitting in a 1949 Chevrolet while surrounded by five police cars and numerous guns pointed his direction caused some concern. Fenders, Fins Friends: Confessions of a Car Guy reveals all that is good about the world of old cars and why being a Car Guy is the best way to enjoy life. . .The history of our automobile traditions is safe in your hands. Lee Iacocca, Automotive Industry Icon Lance s stories are a joyride to simpler times when unbridled enthusiasm and unchallenged optimism were all it took for car crazy young men to tackle any dream, scheme or machine. Bruce Caldwell, Editor Emeritus, Hot Rod Magazine Lance s writings remind us of the sizzle that we were, or maybe could have been or wanted to be; his writings take us back to presumably simpler times of dreamy days, giving us peepholes back to the olden days. A great book from back in the day. Don Weberg, Editor Publisher, Garage Style Magazine Read this and you will gain insight into a down-to-earth soul, with a big heart, and an entertaining way of seeing the world. Theresa Poalucci, Publisher, Journal Newspapers Lance s humorous storytelling style makes you feel like you...
