Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Finding out that your guy has an unusual sexual fetish is always a shocking event. Whether you ve been married for years, been dating for months or just recently met, most women don t know how to react when they learn their guy gets sexually aroused by something out of the norm. Your immediate thoughts probably range from thinking he s a freak or pervert to feeling lied to and betrayed. You signed up for a normal sex life and now you re faced with the fact that he clearly has a proclivity for something very specific and quite unusual. Don t panic. He s the same, great guy you know and love. He just has a sexual quirk. It s nothing you can t handle. A sexual fetish does not mean the end of your relationship. It s actually something that can be managed and incorporated into your sex life without interrupting the intimacy you already have. And here s the good news. You now have the opportunity to become the world s greatest lover in the eyes of your man....
