Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Gregorian chants uttered by dying Vikings. fat Sith lords. classic Yeti rock. Roman emperors invading Hades. a famous Greek hero on trial for murder. roasted parakeets. a battle between a famous radioactive Japanese monster and a legendary Chinese hero. a Bible villain s missing wife. and, of course, one dead spider. These are just a few of the victims in poetry blogger Will Shakespeare s new poetry collection. Containing some of his favorites from the blog, as well as several never-before-seen pieces, this book serves as a classic introduction to his sometimes twisted poetry. NOTE: No spiders, monsters, Sith, Romans, Vikings, etc. were harmed during the writing of these parodies. (At least not that we know of.).
