SINFULLY OURS.: AN UNCONVENTIONAL LOVERS NOVEL

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 272 pages. Dimensions: 8.0in. x 5.0in. x 0.6in. Savannah: If you had a chance to roam with the Devil on earth or take Gods hand to heaven, which would you choose Dominick: I think without a doubt, Id choose Gods hand. Savannah: I used to think so too. Savannah and Dominick share the same last name but not the same parents. Its complicated, as most everything has always been between them. But they would never have it any other way. This is the story of how two members from the same notorious crime family found love, solace and acceptance in no one else but each other. How the only man this woman ever trusted with her life became her sole destruction and only salvation. How they both learned to survive their own darkest thoughts and erotic desires, painful experiences and deepest fears of the unknown through no one else but each other. How they almost fell apart each time his passion for her turned deadly for others. And how in the end, he managed to save her from herself and the life of dread she was so sure she was destined to lead. Note for Potential Readers: Sinfully Ours is a complete story and the first in a series of standalones. But before diving in, you should know that this book is dark, period. No ifs, ands, buts. It is filled with lots of pain, tears, heartbreak and angst. But there is also hope. The idea of an HEA between the leads is tricky, but not completely improbable. Please be advised that Savannah and Dominick are related but are not biologically brothersister. If youre not into atypical or unconventional romances, please put this book down and walk away....
