John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The Reason for All Existence: How Existence at its Fundamental Level Works, Davis McLeod, The Reason for all Existence endeavours to explain why there is existence, rather than nothingness, by dissecting the fundamental principles/concepts of all existence, such as infinity, absolute zero and the ideas of good and evil. Familiar, earthly examples of these concepts are used along with their basic descriptions, so that the reader can better see how these concepts work and relate to the entirety of existence. The Reason for all Existence should give individuals a clear idea of the reason why they exist at all, while aiding them to direct their life in a positive way.
