NUCLEAR STRATEGY: INDIA'S MARCH TOWARDS CREDIBLE DETERRENCE

KW Publishers, 2009. Softcover. Book Condition: New. May 1998 marked the culmination of the long debate on India's nuclear status. It also initiated the country's journey towards credible, nuclear deterrence. Over the last decade, India has taken many steps down this path, with varying degrees of speed, levels of transparency and measures of success. Nuclear policy-making is traditionally shrouded in secrecy. But, for credible deterrence, the mystery must be balanced with some transparency. Surprise in military capability and tactics is...

This kind of publication is every little thing and taught me to looking ahead of time and a lot more. It is packed with wisdom and knowledge. Once you begin to read the book, it is extremely difficult to leave it before concluding.
