By Mary Elizabeth

Barron's Educational Series. Paperback. Book Condition: New. Paperback. 600 pages. Dimensions: 8.8in. x 6.0in. x 1.4in. This unique reference volume is two books in one: a dictionary of slang and a slang thesaurus, with both sections treating the same words and phrases. And this is one poshed up volume! Entries are arranged alphabetically in the dictionary and thematically in the thesaurus, and include definition, pronunciation, part of speech--and origins, usage information, and usage alerts when applicable--in both the thesaurus and the dictionary. This gives you more information about the potential effects of your word choice on your audience, so you have a much better chance than with a regular thesaurus of picking the right word for your particular context the first time. Graphics and brief articles are added to show you slang under the hood--the patterns and features that characterize slang usage. With this book, you'll be able to find out how the screaming meemies got their name, why someone might be offended...
