But as much as Talia longs to give herself over completely to a new beginning, the fears of her past are still lurking in the shadows. Bran Lockhart knows that living without the beautiful girl who stole his heart will be torment, so he'll take whatever time with her he can. But even though she has packed up her life in California and is back in his arms for the time being, she can't stay forever. And the remaining time they have together is ticking by way too fast. Though fate seems determined to tear them apart, they won't give up without a fight—because while time may have limits, their love is infinite . . .
