

Medieval Britain (Hardback)

By H. R. Loyn, Etc.

James Clarke Co Ltd, United Kingdom, 2001. Hardback. Condition: New. Illustrated. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. On June 15, 1215, King John set his seal to the draft of a great charter - the Magna Carta - which asserted a principle of supreme importance in the history of monarchy: that the king should govern the realm according to the law. What part, then, were the people to play in the making of that law, and how was the law to be enforced if a monarch tried to set it aside Medieval Britain saw periods of great social, political and economic change. Throughout the 13th, 14th and 15th centuries, barons and bishops, knights and merchants, townsmen, even village people, were caught up in the struggle to claim effective roles in the government of the country. From the civil and national wars of medieval Britain, the pattern of Tudor government was eventually to emerge. Henry Loyn s text traces the story of this struggle, commenting on the social and economic changes which influenced it, the cultural developments which grew from it,...
