Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As I stood there at the clock awaiting Chasen s arrival, it felt like a fairy tale. I was a beautiful princess awaiting her prince charming. The night was going to be amazing and filled with memories. Well, I thought it would be. When I found out the love of my life was in a car accident, my heart literally stopped. What if he didn t make it? What if I don t get to say goodbye? What if this was all my fault? So many what ifs. So many plans that could end up not fulfilled. I remember when I first laid eyes on Chasen Roberts. He was the most beautiful thing I had ever laid my eyes on. I remember trying so hard to push him away. I also remember how he was there for me when I thought everyone was against me. The first time I had ever felt close to anyone like that. Chasen was my first real boyfriend. We fell so fast, through the romance and the music. I couldn t imagine being with anyone else, ever. It turned out to be love, real love. The kind of love I didn t think really existed. And we vowed to always be together. We promised to love each other forever and ever. However, what if forever isn t as long as we planned? What if Chasen doesn t stay? How do I go on without him? As I placed my hands on my stomach and think of the baby growing inside me, I re-asked myself that question. How do we go on without him?.
