Trafford Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Sibling Rivalry is a book that is near and dear to my heart because of the rivalry that has transpired among my siblings and I. I describe this book as therapy for the soul. Sibling Rivalry is the clear depiction of various facets of rivalry within the home. This book will help you to understand where rivalry in the home derives from and possibly help you to understand your own personal situation. Sibling Rivalry is structured to help break generational curses, heal, forgive, and restore love that has been lost. Revelation states that Cain and Abel were the very first Rivals amongst siblings. Cain's jealous nature left their parents without both of their children. Cain killed Abel out of jealousy and because the Lord showed favor over Abel. Cain did not have to be jealous of his brother because God had told Cain how to receive favor for himself. Jealousy and anger was so deeply rooted inside of Cain until it made him commit murder. Cain would have rather killed his own sibling than to take the advice of the Lord God our Savior. God was not pleased with what Cain had done so God cursed Cain. This book reveals different types of rivalry inside of the home.
