HISTORICAL DYNAMICS: WHY STATES RISE AND FALL (PAPERBACK)

Princeton University Press, United States, 2018. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Many historical processes are dynamic. Populations grow and decline. Empires expand and collapse. Religions spread and wither. Natural scientists have made great strides in understanding dynamical processes in the physical and biological worlds using a synthetic approach that combines mathematical modeling with statistical analyses. Taking up the problem of territorial dynamics--why some polities at certain times expand and at other times contract--this book shows...
