Alfred Music, United States, 2003. Paperback. Book Condition: New. 297 x 218 mm. Language: English . Brand New Book. The Dolly suite, a collection of six piano duets (for one piano, four hands), shows Fauré's wittier side while portraying the many scenes and moods of childhood. This suite got its name from its dedicatee, a friend's little girl who was so tiny at birth that she was nicknamed Dolly. This teaching/performance edition contains the suite in its entirety and is based on the first edition published by Hamelle in 1897. Editors Gayle Kowalchyk and E. L. Lancaster have included expert fingering suggestions and hand redistributions for technical ease, and have realized essential ornamentation in footnotes. The primo and secondo parts are on separate pages with measure numbers in both parts for easy reference. Although featuring childhood themes, the piece is at the late intermediate to early advanced level.
