MASTERING YOUR MIRACLE MIND We are harwired to create miracles. Miracles are manifestations of our authentic self and are part of the emerging New Success DNA. Current research has revealed a guide spot, a miracle mind, primarily situated in the frontal lobes of the human brain. When we consciously connect to this spot, also known as the love spot, or God spot , we have access to the infinite potential of the universe. With the necessary understanding, skills and tools, we can tap into and utilise this universal power, intelligence, guidance and wisdom. Here we find the power to create miracles! In the process we learn to master our lower ego-self, gain access to our miracle mind and express our authentic self. We begin to create miracles as a natural part of life. Success is now taking on a whole new meaning and a New Success DNA is emerging as we speak. We have the power...
