Literary Licensing, LLC. Paperback. Condition: New. This item is printed on demand. 90 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Wilhelm Windelband was born in Potsdam in May of 1848, and died in Heidelberg on October 22nd, 1915. His preliminary studies in Philosophy were pursued in Berlin and Göttingen under the guidance of Kuno Fischer and Hermann Lotze, and in 1870 he presented his first dissertation, entitled: Die Lehren vom Zufall. He then obtained a doctorate at Leipzig with a work entitled: Die Gewissheit der Erkenntnis. In 1876 he became a professor of philosophy at Zurich. From there, in 1877, he went to Freiburg, and in 1882 to Strassburg, and finally in 1903 to Heidelberg. Windelband was one of the more important philosopher-historians of contemporary times. Among his works in this field are: Geschichte der neueren Philosophie in ihrem Zusammenhange mit d. allgem. Kultur u. den besonderen Wissenschaften, Geschichte der abendlandischen Philosophie im Altertum, and Lehrbuch der Geschichte der Philosophie. These books have exercised a great influence upon the history of philosophy and upon European philosophical thought during the last fifty years. Particularly noteworthy was his conception of the history of philosophy in terms of particular philosophical problems, rather than in terms of personalities. A theoretical point of view is important in his work: Praludien-Aufsätze und Reden zur Einführung in die Philosophie. Here he announced the rebirth in German philosophy of a critical return to Kantianism. (Typographical errors above are due to OCR software and do not occur in the book.)
