Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is a workbook/devotional that allows the reader to answer questions about the Bible as they study it verse by verse. God has given every believer in Jesus Christ two powerful tools with which to do His work on Earth: the Bible and the ability to pray (Ephesians 6:17-19). It is these tools that are also the most neglected by these same believers. These studies are meant to perform the following functions: 1. To foster a habit of regular Bible reading 2. To create an environment of consistent Bible study 3. To expose the reader to helpful study tools 4. To explain difficult Bible passages and words 5. To encourage the reader to think about the words of the scriptures Through these studies, the believer will grow closer to their Father in Heaven. Not because anything magical exists about these lessons, but because God s Word works in us when we seek to learn about Him (Isaiah 55:11; Hebrews 4:12). Please enjoy walking with the Lord Jesus Christ verse-by-verse as you learn about Him and His doctrine in the last eleven chapters of the Gospel According To John.
