## FIXTHENATION.COM

Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.My belief in life is simple. Either you are part of the problem, or part of the solution. PICK ONE. If you want to be part of the problem, STOP now. Go away. Do not pass GO, Do not collect \$200(great board game line). That is not mean-spirited, but as a way to save your time and my frustration. No part of Brainstorming involves people saying what doesn t work, how something sucks, or bashing one political person/party or the other. It is pointless and a complete waste of time and energy for all concerned. If you want to be part of the solution, PLEASE keep reading. America needs what you have to say. YOU have an obligation to help America get its MoJo back, to help in a small way. Your Opinion DOES matter. Your voice needs to be heard, and the Endgame will be YOURS. I truly believe that the solutions for our struggles lie inside the American ingenuity of this great country. By coming together- we can create, unite and solve. My goal is to craft future editions of this books based on feedback of the readers. YOU will help me try and bring a well-thought, well-rounded American blueprint to the life we want, the country we need.
