By Edward B Foote

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Dr. Foote's Home Cyclopedia of Popular Medical, Social and Sexual Science: Embracing His New Book on Health and Disease, With Recipes, Treating of the Human System, Hygiene and Sanitation, Causes, Prevention, Cure, and Home Treatment of Chronic Diseases My object in preparing this work is to supply a desideratum which has long existed, Le a medical work, reviewing first causes as well as facts and ultimate effects, written in language strictly mundane, and comprehensible alike to the -lowly inmate of a basement and the exquisite student of an attic studio; and if successful in fulfilling the promise of the title-page, I have too much confidence in the intelligence of the masses and the erudition of the unprejudiced scholar to believe that it will be received with unappreciation or indifference. Many of the theories which these pages will advance are certainly new and antagonistic to those popularly entertained, but it does not follow that they are incorrect or unworthy the consideration of the philosophical and physiological inquirer. They are founded upon careful observation, experiment, and extensive medical practice. And if...
