Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Struggle to save or spend within your means? Most of us do! A Financial Diet is a great way to sort out your finances and build up a decent amount of money in order to provide a more secure future for you and your family. With sound advice on money management and how to achieve higher savings, get out of debt and invest for a profitable future, A Financial Diet gives you the knowledge to control your money instead of letting your money control you. Whether you re earning minimum wage, the average wage or mega bucks looking after the money you earn is essential to each and every one of us. Without financial knowledge of how to look after your money, it s no surprise that most of us fail to ever control our money and our spending. A Financial Diet will change your whole perspective on what you do with your money and will help you to realise that without learning how to be good with your money you will, unfortunately never have a healthy bank balance and more importantly will never have the feeling of not having to worry about money. Be money smart, start a financial diet today.
