Republic of Letters, Netherlands, 2009. Hardback. Book Condition: New. 236 x 160 mm. Language: English . Brand New Book ***** Print on Demand *****.About this book Since 2000 under former President Putin Russia has returned as a great power. Drawing upon the immense new wealth generated by oil and gas exports, as well as upon his ability to recentralize political power in Russia, Putin explicitly committed his government to re-establishing Russia's role as a great power - beginning in former Soviet space. Moscow has made clear that it will no longer accept what it views as Western encroachment into areas viewed as central to Russia's security interests. The growing friction in relations with the United States and the divisions within the European Union concerning the appropriate approach to take toward Russia have been greatly increased by the Russian invasion and occupation of much of the territory of Georgia.
