

Exodus to Africa

By Adam YAMEY

Lulu.com, United Kingdom, 2015. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.From Mosenthal to Mandela .a FRESH look at the story of the Jews in South Africa . Jewish migration to South Africa began as a trickle at the beginning of the 19th century and became an exodus by its end. Always a minority in the European population of what eventually became South Africa, the Jews who emigrated there from Europe during the 19th and 20th centuries have played a disproportionately large role in the country s development. Often escaping from repression and hostility in Europe, they arrived in a country which was no stranger to oppression. From the jail-breaker to the soap-maker who became Senator; from the dentist who made noodles in Cape Town to a man imprisoned for defying apartheid: Adam Yamey tracks the story of Jewish settlement in South Africa, illustrating it with the stories of members of his family to exemplify landmarks and trends in this fascinating history.

Reviews

Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You wont really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).

-- Prof. Martine Lesch

Absolutely one of the better ebook We have ever study. it had been writtern quite completely and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.
