Death has transformed former ballerina Anya Truss into a vila--an alluring wind nymph--but her need for revenge has kept her trapped on the riverbank where she was drowned. Now, after fifty years of waiting, she finally has a chance to break free by getting even with her cruel dance instructor, the man who betrayed her and broke her heart. But for her plan to work, she must place her trust in a handsome but unlikely ally. Straight-laced police investigator Sergey Yuchenko has spent years searching for the father he never knew, and he finally has a solid lead. Problem is, that lead comes in the form of a ghost--a gorgeous but stubborn vila with destructive powers she can't control. Anya's graceful beauty awakens a desire in Sergey like he's never felt before. But when past secrets are brought to light, the lovers will have to face an evil that could tear them apart forever.
