

## How to Make Big Bucks With Watch Batteries How to series Volume 3

Filesize: 4.48 MB

### **Reviews**

*This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.*

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 84 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. This book will tell you everything you need to know to start profiting with a simple small business of your own with very little start up cost. Simple watch repair is something that I am currently doing part time and it is paying for my way through College at this very moment. Tools: I will tell you all of the tools you need, and the tools that you don't need to begin this craft. I will show you pictures and tell you the price ranges that you should be paying for these tools and where to purchase them. Batteries: I will tell you which out of the hundreds of different batteries are your most popular that you will want to keep in stock. I will tell you where to purchase these batteries and what prices you should and shouldn't be paying for them. Improvisational skills: I will tell you tips and tricks that will save you years of trial and error, and make you know your stuff! I learned so many tricks from a professional Jeweler and a stud Watch Maker that I want to pass on to you. Plus I even came up with some on my own and showed them a thing or three! Customer service: This is the most important subject of all! I will tell you exactly how I go about interacting with customers and exactly what I say to assure that my customers are so happy with my work that they not only will bring all of their immediate family's watches to me for all repairs, but they also will recommend me to others and will pass out cards to their friends and co...
