CHRISTIAN TIGERS: LESSONS LEARNED AND TIMELESS TIPS FROM ONE WHO TRIED TO BE ONE (PAPERBACK)

AUTHORHOUSE, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Christian thinking and behavior is very much needed, at all levels, in all walks of life throughout the world today. Personal success is to be found in providing this. Doing well in whatever you do earns the right to be heard and exercise influence. Sometimes, this involves selfless service, and sometimes it requires intense, albeit fair, competition to attain high ranking, powerful positions. I believe it is very important for people, adhering to Christian teachings, to be present in the leadership structures of government, business, education, healthcare, entertainment, law, religion, etc -- and that they exercise their voices and power, in a reasonable manner, to strive for what is right. Just imagine what the world and our country would be like if dominated by atheists and/or radical proponents of other religions. For the sake of future generations worldwide, we must not let this happen. Therefore, we Christians must compete with skill, energy, imagination, ethics, and excited vision to achieve a better world. The purpose of this book is to share significant trials, temptations, triumphs, techniques, and tools I have experienced in my successful career, hoping to motivate and help Christian Tigers to succeed and help make the world a better place.
