If I do not greatly err, it is fraught with consequences of good or of evil to the country, which deserve the most serious and deliberate consideration. If it shall be honestly and intelligently used for the sole purpose of promoting the object for which it was professedly formed, - to provide a national currency, - I think I can see that it will be productive of much good; but if it shall, on the other hand, at some time in the future, more or less distant, be abused for party-purposes, - a supposition not entirely incredible to those of us who have witnessed for the last thirty years the influence of party-politics on legislation, - I think I can foresee, that it may prove a calamity greater even than the civil war under which we are now suffering. Armed rebellion can be put down by physical force; but how shall we effectually guard against the insidiously corrupting influences of the money-power? The late Bank of the United States was refused a re-charter, on the ground, whether real or pretended, that it was an institution dangerous to the liberties of the people. The machine which it is...
