Reviews

These types of book is the perfect pdf available. I actually have study and that i am sure that i will planning to read through again again in the foreseeable future. Its been designed in an exceedingly basic way which is simply soon after i finished reading through this publication in which basically changed me, modify the way i believe.

Packt Publishing Limited, United Kingdom, 2015. Paperback. Book Condition: New. 235 x 190 mm. Language: English . Brand New Book ***** Print on Demand *****.Use game elements in Moodle courses to build learner resilience and motivation About This Book * Formulate a Moodle course that acts as a flexible framework ready for your own content * Keep learners engrossed and create opportunities for motivation through the concepts of status, access, and power * A resourceful guide to innovative learning using automatic reports, assessments, and conditional release of activities Who This Book Is For This book has been designed for teachers who to use technology to create more engaging learning experiences for both online learning and in face-to-face sessions. This book will especially appeal to people who are interested in the underlying mechanics of play and games and want to know more about applying these concepts in an educational context. It is assumed that you are a teacher and expert in your field, have basic computer skills, and have access to the Internet. What You Will Learn * Set up a scoring system using Moodle Gradebook * Enable communication and collaboration in your class as a Learning Community using forums * Assess your learners abilities by setting up challenges and quests * Configure gateways to check and ensure progress before new content or activities are released * Create Moodle assignments to provide effective feedback through a comment bank and custom scale * Issue Open Badges to recognize achievements and set up an online backpack to share digital badges * Reduce anxiety for learners by using the game-like concept of Levelling Up In Detail This book describes how teachers can use Gamification design within the Moodle Learning Management System. Game elements can be included in course design by using, badges, rubrics, custom...
